## President's Report 2024-25

The season saw the continuation of competitions with the inclusion of both St George and Bankstown Cricket Associations at both junior and senior level which resulted in a very competitive season. Unfortunately, this season also saw the demise of the Sydney District Cricket Association which over saw the running of the individual Associations and until recently organised the junior representative competitions. These tasks now fall to Cricket NSW and it is hoped that they will continue the good work of the DCA.

In the NSW Youth Championship competition Canterbury/Wests fielded 5 sides as well as 1 team in the I DCA President Cup competition. Canterbury/Wests enjoyed a good season achieving a good aggregate of wins with 1 team (U13) in the Youth Championships making the semi-final. I wish to thank the players, coaches and managers of each of the representative teams, and to our rep convenor Dinesh Divikar for their efforts during the year. Dinesh is also very ably supported by Anna Mori and Carla Bereham who have done a great job with the sponsorship and organisation for the rep teams. I would also like to thank the sponsors of the Association, Holman Barnes Group, First Class Cricket, Nice Bite and One Valencia, for their continued support particularly in the junior representative scene.

The Executive had to adjudicate on several disciplinary matters relating to the Code of Conduct in the past season and handed penalties to players for breaches of the Code where applicable. The Code of Conduct was introduced in 2005/6 to provide a systematic and effective method of addressing these matters. The Executive will continue to apply the provisions of the Code of Conduct and will not hesitate to hand down appropriate penalties where necessary.

I would also offer my thanks to Ray Marshall and colleagues at the CDCUA for your ongoing support in officiating at our games and a special mention to my fellow Executive members for their help and assistance throughout the season.

CWSCA is in a strong position both financially and from a participation point of view and with the continued involvement of teams from Bankstown & St George the Association is looking forward to strong and successful club and representative season in 2025/26

Yours in Sport

Brian Olsen

## Secretaries Report Season 2024-2025

### Mr. President

Office Bearers, Affiliates, Life Members,  
Ladies & Gentlemen

I am pleased to submit the 34th Report of the Association for your perusal and adoption.

Election of Office Bearers

Brian Olsen again led us as President for his 16<sup>th</sup> year steering us on a steady path. I completed my Tenth year as Secretary with great help from Bill Howard as Assistant Secretary. Jimmy Oliveira again stood as treasurer and done a great job of keeping our finances in great shape. I also ran the juniors for the 3rd year running and getting right back into it.

Kara Cox, Greg Rennie, Victoria Brigden and Khurram Mahmood were elected to fill the remaining Executive Committee positions.

Dinesh Divakar the Rep convenor who was assisted by Carla Beheram and Anne Mori who both did a fantastic job in gaining a sponsor's throughout the season.

This is our 4th season in a joint venture with BDCA in Seniors and Juniors.

This season we had to St George teams join in 1<sup>st</sup> Division DLSK & ICC.

We also ran a 3 - way joint venture with STGDCA in the u15-17's as well

We had 7 grades this season with 6 teams 7 grades and one of 8 teams in each grade.

Khurram Mahmood, Bryden Sharp (BDCA), Dean Vandine (Newtown Bluebags) and Paul Thomson (Life Member) along with our Registrar Geoff McKenzie were elected to the Permits & Grading Committee to sort out the grades and process the permit applications. A thankless job, but one done extremely well as most competition was very closely fought out. Great job all, thanks for your efforts.

I would like to thank all the committee members for their help & support this year and to all the Senior and Junior clubs for a great season.

A big thank you to Bryden Sharp & Andrew Sheehy from BDCA for their support throughout the season.

Sadly, the NSWDCa has been made exist by CNSW.

### **Senior Entries**

We had 24 Senior clubs from C&WSCA and 4 clubs from BDCA and 2 from STGDCA

We had 46 teams competing in the competition this season, 32 from C&WSCA and 12 from BDCA and 2 from STGDCA

### New Clubs

Lakemba Stars (started off as Beverly Hill Eagles)

Bankstown Strikers, Gorkhali Rhinos.

We again were sponsored from Kookaburra Sports this season, which resulted in \$3,000 for the association

### Club Championships

Summer Hill CC won the Senior club Championship.

The Junior Club Championship went to Marrickville CC who has won the Huttons Shield.

Congratulations to both clubs.

### Trophies

Trophies were provided by Stephen Lacano from Mayfair Trophies 44 Coveney St Bexley North 2207 phone 0450 002 680.

### Umpires Association

Thanks to Ray Marshall, Robin Smith and the umpire's association for umpiring our matches. Robin and Ray worked hard to get umpires to games with our numbers now up on previous years. We are definitely the envy of a lot of associations.

### NSW District Cricket Association

Mr Bill Howard & Dinesh Divakar represented the association at meetings of the NSWDCA held during the season. Sadly for the last time.

Thanks to all clubs, their officials and parents of players for making the season a success and I congratulate all the individual winners and winning teams.

Club Championship

Yours in Sport

### **The C&WSCA Treasurers Report Season 2024/2025**

The Association recorded an operating loss of \$6,313.37 for season 2024-25 this was a result of the increasing costs of running our competition & representative programs while continuing to maintain our \$100 per team Covid relief discount which has become unsustainable.

Ground hire fees paid by the C&WSCA will continue to increase as we have been advised by Burwood, Canterbury Bankstown and Inner West Councils of their increased ground hire rates.

Kookaburra provided the C&WSCA \$3,000 in sponsorship an increase of \$500. While Anna and Carla our reps Mums continued their outstanding fund raising efforts with grants, raffles, sausage sizzles at Bunnings, new and returning sponsorships for our representative teams.

Thank-you to all our new and returning representative team sponsors for their financial support in 2024-25

First Class Cricket (\$7,000), Nice Bite Dental (\$2000), Salim Nets (\$1575) and Rene Valencia (\$985).

The Inner West Council and Wests Ashfield Leagues Club each granted \$5,000 to our representative teams program for a total of \$10,000, thanks to Anna & Carla's applications.

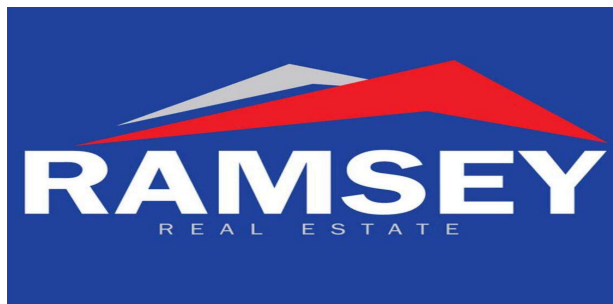

The representative player fees raised in season 2024-25 combined with our representative fund raising, grants team sponsors funds and the C&WSCA contribution, covered the coaching, gear, training and uniforms expenses of our representative team programs.

Our season 2024-25 financial year loss of \$6,313.37 is an indicator that we can no longer continue providing our Clubs with the \$100 per team financial relief as we started during Covid and continued through to season 2024-25.

Thank-you to the C&WSCA executive and Life Members Paul Thompson, our Honorary Auditor, Dinesh Divakar, Anna Mori and Carla Beheram, our reps admin team, for your support throughout the season by assisting with the association's management and fund raising.

Regards

Jimmy Oliveira

### Explanation notes for Profit and Loss Statement

Our season 2024-25 loss of \$6,313.37 is a result of the increasing costs of running our competition and representative programs while continuing to maintain our \$100 per team Covid relief discount which has become unsustainable.

### Representative Income and Expenses

Representative fees income includes Winter Development and Representative season fees collected from players, fund raising raffles, sausage sizzles at Bunnings BBQs, grants from Inner West Council and Wests Ashfield Leagues Club plus our representative team sponsors, to cover expenses including, payment for cricket equipment, representative clothing, training gear, and programs, trophies, award night functions, photos and winter development training.

Winter development costs run over 2 financial years, with income being received in the previous financial year and costs being paid during the current financial year. In season 2024-25 The C&WSCA contributed by paying for some of our representative team expenses.

Representative expenses stabilised in season 2024-25 with some savings on clothing, while coaching fees were the same as last season. These costs were covered by the fees each player paid plus the marvellous fund raising efforts Anna and Carla as stated in the Treasurer's report.

### Administration Costs

These are the everyday costs of running the association namely, phone, internet, paper, printing and the like as incurred in the normal course of association business plus purchases of laptops, printers, mobile phones and internet bill payments as required by the Secretary, Treasurer and our executive committee from time to time.

### Clubs Fees

Income received includes affiliation, ground fees, registration, bonds and fines for both senior and junior teams for the season. This income is used to pay for Councils Ground Hire Invoices, Umpires Fees and some of the other administration costs of the C&WSCA.

### Association Phone Account

This amount represents the cost of the Association land line, internet connection and the Secretary's iphone 14 mobile phone purchase in 2023 and his iphone 16 purchased in season 2025 plus internet bills which has been included in Administration costs as approved by our auditor since 2015 to date.

## Season 2024-25 Representative Convenor's Report

**Date:** 12h July 2025

**To:** CWSCA President, Secretary & Executive Team

**From:** Dinesh Divakar, Representative Convenor

---

### Introduction

Dear Executives,

I am pleased to present the Annual Report for the 2024/25 Representative Cricket Season. This report highlights the key activities, achievements, and challenges faced across the NSW Youth Under 12-15 and IDCA President Cup Under 11 competitions.

### Key Activities

Anna Mori and Carla Beheram who in the second year of the Representative Committee, took the association presence in social media, Grants and Sponsorship to another level. Their extraordinary work led to amazing success with Sponsorship & less burden on parents for costs. I would like to have special appreciation and thank them immensely for their time and efforts on my behalf & Association. We were the only association to have independent coaches across most groups and keep cost to 370\$/player.

Highlights for 2025.

- Professional CWSCA website looking exceptional with data.
- Regular updates on Facebook and Instagram, boosting our visibility.
- Raising \$1700 through a raffle (Toyota) special thanks to Anna for driving it
  - \$4,000 from a Bunnings BBQ-great team effort and support from parents.
  - \$1,500 from personal sponsorships (Carla).
  - \$2,000 from Nice Orthodontists (Anna)
  - \$7,500 from First Class Cricket
  - \$5,000 sponsorship from West Ashfield (Second year)
  - \$11,200 from NSW Government grant (Used fully for Winter development)
- Revisited Clothing and appointed Cherry Apparel with savings achieved (\$ 50/kid).
  - The feedback was excellent.
  - Saved money on hats (Baseball type – Cost recovered in first year itself).
- One time proposal for Clothing approved by Executives for Winter development (6K).
- We had first class Cricket deliver Winter development for U12- U15 & Rising Stars Academy U11.It was very beneficial and we could see the difference at trials.
- Nominated Asher Beheram, Benji Beheram, Spenser Alt for Holman Barnes group sports person award for their selection & achievement (Grand final) NSW Under 14 State Indoor Championship.
- Nominated Kaito Mori for his State Merit Team selection in Under 12 NSW PSSA Championship.
- We have good stock left from last season and Representative financials are very healthy as compared to previous season in excess of \$7000 before start of the season in cash.

Anna and Carla's dedication has been phenomenal, and we are committed to supporting their ongoing efforts to keep representative cricket affordable for families and invest in professional coaching for player development through sponsorship.

---

---

We need to ensure that we can start transitioning with new parents in the coming season. To be discussed as part of next season. We have started discussions with potential people.

## Season Achievements & Highlights (2024/2025)

### NSW Youth Competition

- **Finals:** Only one out of five teams reached the finals (U13 Div 1 - Gee Shield).
- **Challenges:** Batting & Fielding, playing spin needs improvement across age groups. Wicketkeeping was another issue in most teams as we are lacking boys who want to keep. Part timers aren't the solution.
- **Performance:** Competitive in most rounds across teams, with notable performances in the Cawsey Shield, Gee Shield, Moore Shield and Weblin Shield.
- **Moore Shield:** First year playing on turf was tough with few promising individual performances.

### IDCA/President's Cup

- **Teams:** Fielded one Under 11 team (Division 1) due to lack of quality Representative players unlike previous years.
- **Performance:** Competitive but had tough season. Hoping they have learned a lot and improve performance in seasons ahead.

### Individual & Team Highlights

- **U13 (Div. 1) Semi Finals:** Top 2 finish in the rounds and reach the Semifinals.
  - Asher Beheram, Benji Beheram, and Nikhil Puranik were selected as Green Shield players.
- **U14:** Notable performances from Wahaab Afzaal & Harry Bugden led them to be selected for State Carnival.
- **U15:** Competitive in a few games but fell short overall. Should have qualified but missed out with few tight losses.
- **Player of the Year Awards:**
  - NSW Youth: Wahaab Ahmad (300 points)
  - President's Cup: Champion Palyer -Kaveen Muraleetharan (246 Points)
- **Participation and Recognition:** Every player will receive a participation trophy. Round and season awards were given for best batsman, bowler, and all-round performance. This year we had a delay with my non-availability and competing priorities. We are planning to do this in August as a combined event.
- **Historic Achievement Awards:**
  - Batting: Lawson Fabo (100 no) Cawsey Shield against SSJA
  - Bowling: Harry Bugden (7-3-9-5W) against Bankstown

### Easter Competition 2025– Western Suburbs Cricket Association

Few players participated in various age groups together with other friends across association, not just as CWSCA team.

### Upcoming Season (2025-26)

---

---

**Kookaburra Cup in Canberra:** Taking a break from team participation, though some parents/players may still join.

- **We may play in** local competitions in September school holidays as CWSCA/Individuals.
- **Player Development:** 6-week Intense winter development of 20 hours of Training Offering through the First-Class Academy (U12-U15) and Rising Stars (U11) to develop and get players ready for representative season. We have offered this program to First class Academy as part of 2-year sponsorship. CWSCA has applied for sponsorship yet to receive outcome. This year due to this we kept the program as Optional and will subsidize if we get sponsorship to all those who attended.

### **Sincere Thanks & Appreciation**

To all those who made this season possible:

- **My colleagues** Carla Beheram & Anna Mori.
- **Managers:** Lee Martin, Nicole Donahue, Raj & Smriti Puranik, Jayaprakash, Cathy Stimoli, Ange Wakenshaw, Soma Ramaneetharan.

- **Treasurer:** Jimmy Olivera & Paul Thomson (for support).
- **Special Thanks:** To
  - Our Sponsors Nice Bites, One Valencia, Cherry Apparel, First Class Academy, NSW Sports Grant, Inner West development Council.
  - First Class Academy led by Billy Barge & Rising Stars Academy led by Salim Khatri.
  - Cherry Apparel for timely clothing delivery & support.
  - C&WSCA Umpires Association, especially Robin Smith and his team.
  - All parents for their invaluable support and trust.
